

Message from the Chair:

Dear Ladies,

The focus of the Women's Ministry is on spiritual growth, encouragement, fellowship, missions and service. We seek to provide women with an opportunity to experience Christian growth in many ways. Missions and service are delightful ways to give of ourselves as Christians. We are pleased to have the opportunity to provide support to foreign and local missions and to serve our Lord with hands-on service from time to time.

Fellowship with other women is also an emphasis in the entire program. We are especially fond of blending the generations together so that all women have the opportunity to enjoy fresh new ideas from younger women and to reap the benefits from years of experience and wisdom from more mature women.

We truly pray you will be blessed as a woman in our congregation and will want to become an active participant in our Women's Ministry. Our priority is for God to be glorified in our endeavor to serve Him, with our lives.

If you are not involved in a Circle, Bible Study, or Small Group I encourage you to plug in.

Thank you to all the wonderful ladies for all their hard work and dedication!

In Christ,

Sharon
